Members,

We actually have a real Spring time this year. The last few years we usually went from winter to summer. I hope all those who are able, are out on their bikes.

I want to wish everyone a great upcoming **Happy Mother's and Father's Day**. Remember to ask for accessories for your ride, in case the kids ask!

Memorial Day is the start of the summer season in South Jersey. We also like to recognize our veterans with a few events that will coincide with the holiday.

What's Next ??

At the top of the list is the Spring BBQ held at the **American Legion #352** in Somers Point. \$20 pp **11th Annual Spring BBQ Sunday, May 5th, 12- 4pm**

- BBQ Platter & Fixins'
- Door Prizes, 50/50
- Includes free draft beer and soft drinks.

Live Music by the 'Motts Creek Pickers'

This will be displayed at the Cape May-Lewes Ferry Terminal. Free admission and free parking. It will remain open 24 hours a day while it is **in Lewes**.

This is a half size replica of the wall in Washington

It is in celebration of the **100th anniversary** of the American Legion and the job they do for all veterans.

“Researchers for the New Jersey Turnpike Authority found over 200 dead crows near the New York area and there was concern they may have died of Avian Flu.”

A bird Pathologist examined the remains of all the crows, and, to everyone's relief, confirmed the problem was definitely not Avian Flu. The cause of death appeared to be vehicular impacts.

However, during the detailed analysis it was noted that varying colors of paints appeared on the bird's beaks and claws. By analyzing these paint residues it was determined that 98% of the crows had been killed by impact with trucks, while only 2% were killed by an impact with a car.

NJTA then hired an Ornithological Behaviorist to determine if there was a cause for the disproportionate percentages of truck kills versus car kills.

The Ornithologist Behaviorist very quickly concluded the cause:

When crows eat road kill, they always have a look-out crow in a nearby tree to warn of impending danger.

The scientific conclusion was that while all the lookout crows could say “Cah”, none could say “**TRUCK.**”
