Members,

At the 2018 International Rally, **President Lloyd Smith** announced he would step down at the next Intl' Rally.

At the 2019 International Rally, held in Spearfish, SD, The Board of Directors selected East Central Director **Jim Mosley** to be our new president.

Pictured below are Jim Mosley and wife Kay (left) and Lloyd Smith and wife Barbara (right).

Many factors accounted for the low attendance by the SJ Retreads this year. **Bob and Diana Easterday** and **Tom Murray** were it.

The International Rally did have **202 members** registered, representing 30 states. According to Diana, they had 4 days of nice weather and a good time.

Another Retreads change that came out of the Intl' Rally was the yearly dues increasing to \$25 (couple) and \$20 (single).

If you renew your membership before Jan. 1, 2020, your dues will remain at the old rate of \$15/\$20 respectfully. Any application received after January 1st, 2020.new rate (**Application Page 7**)

Cook's Night Out was held on August 1st at the Carollo's Restaurant in Franklinville. There were 47 Retreads members attending. A busy night at Carollo's made for a slower service, however, the food was hot, plentiful and great tasting.

A better night for **Jeff and Cindy Distefano** who won the 50/50 raffle. In addition, another \$85 was donated into the Make-a-Wish Foundation of South Jersey by our club.

WHEN TWO CHAPTERS MEET

It took months of planning and 2 years to actually come about, but a 3 day trip finally happened! The first year was a total wash out! It rained for like 3 days straight and I just had to make a decision before we would have to be stuck paying for the rooms. This trip was to combine 2 riding groups; one from the north and one from the south. Some members of GWRRA “not with any particular chapter” from South Jersey, along with some members from the South Jersey Retreads combined forces to meet up with members of GWRRA Chapter SC-E along with a few members from other SC chapters and even a few from NC-I joined us.

I mapped it out for both groups to ride equal distances and meet somewhere right in the middle. Well that middle happened to be Covington, VA. Due to the heat I decided to bump up our leaving time an hour and leave at 7am instead of 8am. The NJ group formed two even groups of 6 bikes each. We were 2 channels apart on the CB, and left ten minutes apart.

Well Fifteen folks from the south headed north, while fifteen folks from the north headed south. There was no rain in sight, however the temperatures were soaring! I am talking record breaking heat!

Day 1) Friday was a meet and greet. However not without jumping into the pool first! Oh my God was it hot riding down to Covington! We took cover whenever we could, drank plenty of water and used our evaporative cooling vests! Out of our two groups I, Jeff DiStefano, was the first to leave out, and funny, the last to arrive. Group two was led by Sam Beloff. Our breaks were great; as we were leaving they were pulling up. We took more breaks than normal because of the dangerous heat, and I didn't want anyone to get hurt!

Sam had called me on the phone to tell me that route 81 was at a standstill by Stanton, VA so instead of getting off the highway going around the accident then getting back on, I decided to take back roads there until the last 13 miles. We dropped like 10 degrees in temperature by doing so!

The Southern Group headed north up through the Mountains of NC, and enjoyed a number of twisty roads (spending the night in NC to make a 2-day trip out of their Northward-Journey). Dave Dolinger (SC-E) GWRRA # 195758, led the group on a wonderful route!

Day 2) We were to all meet in the parking lot at 8am with a full tank of gas. My bike and Sam's bike were parked up front and had the folks evenly split up the ride by parking behind us, it looked so cool! Group pictures were taken, of course followed by a briefing, again two groups and two CB channels apart.

It was a 230 mile loop with a tour of the Greenbank Observatory before having lunch at The Buckhorn Inn. The Buckhorn Inn is located at 2487 Hankey Mountain Hwy. in Churchville, VA. We were very much impressed with the Inn! There's so much history there and the food was GREAT! Moreover, the prices were GREAT! One of the owners Mitch Diehl gave us a tour of the Inn. They were able to seat all 30 of us plus could have seated another 30! If you're planning a trip near there, be sure to stop in for a GREAT lunch at a price that won't hurt you!

A fellow who takes pictures and writes for the Virginia Rider Magazine, Marc Ritchie had contacted me on Friday and asked if he could take pictures of our group and interview us. After lunch we mounted up and rode 90 miles back to the hotel. It was so cool!

That evening we all had dinner at the hotel and gathered around for a little magic show hosted by our (NJ) very own Steve Black! Then we said our final fair wells because the NJ folks wanted to get an early head-start on the temps heading back north.

Day 3) We had two groups going back, my group left at 5:10 am and Sam's left at 5:30. We met up at a gas station in MD with only 120 miles from our starting point. It was even hotter on Sunday!

The SC/NC Folks headed out at 8:30am in two groups- one stopped at a Bed & Breakfast for the night while the remaining 11 traveled on to their final destinations in the Carolinas. All encountered a little rain, but for the most part it was a very nice ride, with plenty of scenery, some twisties, and of course no trip is complete without at least one gravel road!

To sum it all up, everyone got along great and had a blast! They even want to make it an annual event! Maybe our friends up in Ontario, Canada (ON-G) Jack & Linda, Wayne & Lori might want to join us! We will have to try to coordinate with the VA Folks next year also! :~)) Blue Skies!

The Circus

A couple who work at the circus go to an adoption agency.

Social workers there raise questions about their suitability as parents.

The couple produce photos of their 45 foot Class A Prevost coach, which is equipped with a beautiful nursery.

The social workers then are doubtful about the education that the child would receive.

"We've arranged for a full time tutor who will teach the child all the subjects, plus French and Mandarin languages and computer skills".

Still, the social workers have doubts about raising a child in a circus environment.

"We have arranged for a nanny who is an expert in pediatric welfare and diet."

Finally, the social workers are satisfied.

The Adoption agency asks, "What age child are you hoping to adopt?"

"It doesn't really matter, as long as he fits in the cannon."
