

# NJ Retreads Motorcycle Club

Newsletter for March-April 2022

## Wednesdays - Sundays - Pop ups

To maximize riding opportunities, we employ the POP-UP RIDE.

Watch our emails and posts because when we see a good chance to ride, we grab it fast. Keep an eye out.

Rain rain go away.  
It means we might not ride today.  
Motorcycles want to play.  
So we'll just try another day.

# TIPS FOR MEMBERS

**SCHEDULES:** Rides scheduled every Wed & Sun, year round, weather pending. In the case of bad weather we may change plans and do 'pop-up' rides on alternative days. Stay vigilant to our social media.

**KICK STANDS UP (KSU):** KSU=Departure. Departure times are strictly adhered because of planned routes and stops, timed to fit the program. Gear up, gas up, dress up, and get your engine fired up at the designated departure time. Be advised we do not waver from KSU time. We do not wait.

**BREAKFASTS:** Enjoy an optional pre-ride breakfast and lively conversation at the designated location. Allow an hour extra prior to KSU time. If skipping breakfast, arrive 15 minutes prior to KSU time.

**RIDE LEADERS:** On any day, 1-3 routes are available from which to choose. Routes are announced following breakfast. If you don't like the route, it's all about freedom. You can make your own by leading. It's just choosing a place to which you like to ride and leading us there. We encourage more ride leaders: you can be one and show us your style. Talk to an officer or a ride leader to learn more.

**COMMON RIDE PROTOCOLS:** Motorcycling has risks. We respect the long established protocols of the NJ State Police MotorCops. That is *staggered formation* and the *two-second rule*. That means no side-by-side riding, no passing while in motion, and allowing a two second time-gap between you and the bike directly in front. If you do not understand these, we are willing to give our best clarification.

**RIDING STYLE, and RIDING WITH YOUR RIDE LEADER:** Each ride leader has his/her own style, their focus being one of many things: scenic, relaxed, food mission, landmark destination, twisty, spirited, lively, & more. Understand that ride leaders have planned routes and destination goals to get through the day and return home by a reasonable time. Riders are to stay up with their ride leader in order to keep the group together, moving as a unit as much as possible. Never ride uncomfortably or under pressure. Should a ride leader's style not be to your taste or comfort, that is a sign to exit the ride: that is your right! Then go about finding a ride leader whose style suits you .... or consider leading a ride yourself.

**FREEDOM TO MAKE EVERY RIDE YOUR RIDE:** Each ride-leader has his/her own style. If you're uncomfortable, there's no pressure, judgment nor need for explanation. At *any time* for *any reason* you may bow out of a ride. You are *never* locked in. So ..... Take full responsibility for *your* ride, *your* abilities, *your* protective wear, *your* comfort level and the condition of *your* gear and *your* bike. Make every ride *your* ride. We realize life has its appointments, discomforts and surprises. If you're only available a portion of the day, come to ride and to peel off when needed. Should an emergency arise calling you to bow out, we understand that as well: you're free to come and go as you desire.

**TYPICAL DAY RIDES:** Day rides are within region (NJ,DE,PA,MD), generally within a 75 mile radius of departure point. The intent is a ride plus comfort stops and lunch stops, then head homeward. Typically, about 150 miles round trip, and riders make it home before supper time.

**RALLIES and EXCURSIONS:** We sometimes participate in rallies for our organization and others.

**COMMUNICATION & CB ETIQUETTE:** We use CB radio communication. It's not required but having one is a plus. Use channel 32 for essential ride info: please switch over to channel 30 for social conversation.

**MEMBERSHIPS:** Run Jan 1st to Dec 31st. Only those maintaining up-to-date membership may participate in rides & events. New members joining Oct/Nov/Dec are grandfathered in for the next year.
