TIPS FOR NEW (and all) MEMBERS

SCHEDULES: Rides scheduled every Wed & Sun, year round. In case of bad weather we may do 'pop-up' rides on alternative days. [Stay tuned to social media](#) for up-to-the-minute news.

KICK STANDS UP (KSU): KSU - Departure times are strictly adhered because of planned routes and stops. Gear up, gas up, and get your engine fired up by the designated departure time. Be advised [we do not waver](#) from KSU time.

BREAKFASTS: Enjoy an optional pre-ride breakfast at the designated location. Allow an hour extra prior to KSU. Otherwise, arrive 15 minutes prior to KSU time.

RIDE LEADERS: On any day, 1-3 routes are available from which to choose. Routes will be announced [following breakfast](#). Everyone is free to lead a ride. Choose a route or destination and take us there. We encourage more ride leaders. Speak with an officer or a ride leader to learn more.

COMMON RIDE PROTOCOLS: Motorcycling has risks. We respect the established protocols of the NJ State Police MotorCops. That is [staggered formation](#) and the [two-second rule](#). That means no side-by-side riding; no passing while in motion; and allowing a two second time-gap between you and the bike directly in front. If you do not understand these, we are happy to offer our best explanation.

RIDING WITH YOUR RIDE LEADER: Each ride leader has a style and focus, which could be: scenic, relaxed, destination, twisty, lively, etc. Each has a planned route and destination point in mind. In order to hold the group together, it is requested that riders keep up, and [move as a unit](#). If you are uncomfortable with route conditions or a ride-style, exit the ride! It's your right! Then find a ride leader whose style or focus suits you. Or lead a ride yourself.

MAKE EVERY RIDE YOUR RIDE: If you're uncomfortable for any reason, there's no pressure, nor need to explain. [At any time for any reason you may bow out of a ride](#). Assume responsibility for *your* ride, *your* abilities, *your* protective wear, *your* comfort level and the condition of *your* bike. Make every ride *your* ride. Also, even if you're only available a portion of the day, come ride, and peel off when you want.

TYPICAL DAY RIDES: Day rides are within region (NJ,DE,PA,MD), generally within a 75 mile
